AUDITION RECORDING

Include a high quality CD or cassette tape on which you:

1. Print your name and the name of your college/university clearly on the cover.
2. State clearly your voice part and chosen solo selection (see #3). Please do not state your name and/or school on the recording. (This assures us in keeping the audition process "blind" and fair for all).
3. Vocalize: Start in the middle of your range and sing an ascending scale; then start in the middle of your range again and sing a descending scale, going to the highest and lowest usable notes of your range. Use your best vowel.
4. Perform a piano-accompanied solo of your choice, preferably sostenuto in style.
5. Sing your part to Thomas Morley's madrigal *April is in My Mistress' Face*.
