

Richard Kegerreis Honor Choir Scholarships

Honor Choir scholarships are available for the 2008 ACDA Junior High School, High School, and Gospel Honor Choirs. The purpose of the honor choir scholarships is to encourage talented young singers from some of our underserved ensembles, those who have not been able to participate in the past due to financial considerations, to participate in the honor choir program. The concern has been that with increasing costs more and more talented young singers are being excluded from applying for ACDA Division Honor Choirs.

Actual awards may vary but may be from \$100 to \$600. All scholarship recipients must be accepted into the appropriate honor choir through the normal audition process. Scholarship award checks will be available upon registration for the first rehearsal in Hartford. They will not be mailed in advance.

Application:

1. The Honor Choir Scholarship Application must be completed by a sponsoring ACDA member and submitted to both their State ACDA President and the Honors Choir Coordinator.

2. Deadline for submission to State ACDA President and Honor Choir Coordinator:

Gospel Choir- April 9, 2007
